This is a once-in-a-generation chance to protect local repair jobs—the corner mom-and-pop repair shops that keep getting squeezed out by manufacturers.. Join the cause and tell your state representative to support Right to Repair. So I received my brother's laptop, that contained many issues He sent it to me so I can fix it, and that he bought a MacBook.. Hi guys, like the title says, I have tried to restore factory settings on a Sony Laptop with everything I have been able to find online, but nothing works!!! I tried F10, F8, I even created a Bootable USB Drive and nothing works! I do not have the recovery disc, I'm trying to help a coworker since this was suppose to be an easy fix, take it back to factory settings, star fresh from 0, but nop, I haven't been able to get it!
